

## **Terms of use**

This FORI Domain is owned and managed by the FORI BV, Steenweg Deinze 150, 9810 Nazareth. Each use and/or visit of a FORI Domain is subject to the following Terms of Use.

### **Terms of Use**

*Version applicable since 26 May 2020.*

### **General information**

By FORI Domain is meant both a website and (mobile) application offered or operated by FORI BV.

### **Conditions**

Any use and/or visit of a FORI Domain is subject to these terms and conditions unless a FORI Domain expressly differs from these in certain respects. The mere use of a FORI Domain constitutes the user's full and irrevocable acceptance of the terms and conditions contained herein for use of the FORI Domain and of the products and services offered. FORI BV reserves the right to change these terms and conditions at any time. The amended terms and conditions will be published on the FORI Domain and will take effect automatically after publication.

By communicating certain personal data, you guarantee that they are correct and complete. Communicating incorrect data or data belonging to third parties may result in the user being denied, temporarily or permanently, any access, in whole or in part, to the relevant FORI Domain and/or other FORI Domains.

More information about the policy of FORI BV concerning the processing of data relating to natural persons can be found in the Privacy policy of FORI BV.

### **Limitation of Liability**

FORI BV strives for the correctness of reporting and information but can never guarantee the correctness, completeness, suitability of the reporting or information in its publications for any use whatsoever and cannot be held liable for this.

FORI BV is not responsible for any decision or action whatsoever that would have been taken by the user on the basis of the information or data provided or reports about users or third parties, nor is it responsible for errors or mistakes.

FORI BV is also not responsible for any direct or indirect damage or any damage caused by the above-mentioned inaccuracy, incompleteness, oblivion, negligence, etc. ....

The responsibility for the articles, the information and the photographs rests with the author of the article, the information provider or the photographer.

### **Links to other websites**

FORI BV cannot be held liable in any way for information provided to the user by means of hyperlinks to third-party content or to websites managed by third parties. These links are purely informative and only the operators of these websites or applications are responsible and liable for the accuracy of the information provided and for compliance with the laws and regulations relating to the products and services they offer for sale on their website, in particular as regards consumer protection, distance selling, etc.

### **Damages**

FORI BV is under no circumstances liable for temporary or permanent damage or defects to the user's data or computer equipment due to use of the FORI Domains. FORI BV is also not liable for the possible transfer of viruses via the FORI Domains.

### **Availability of the FORI Domains**

FORI BV makes every effort to ensure good availability of the FORI Domains but cannot guarantee that the FORI Domains will be available at all times, or that no faults or interruptions will occur. FORI BV reserves the right to interrupt access to the FORI Domains at any time and without prior warning for technical or other reasons, or to terminate the services, unless otherwise agreed by contract.

FORI BV cannot be held liable for malfunctions or interruptions, or errors in electronic delivery, nor can they lead to refunds or price adjustments or other compensation, except in the case of intentional errors on the part of FORI BV.

### **Advertisements**

More information on the general terms and conditions of sale applicable to the sale of advertisements can be found under the Terms and Conditions of Sale.

The principle of equal treatment implies the absence of any form of direct or indirect discrimination or harassment on the labour market. The Collective Labour Agreement no. 38 and the Decree of 8 May 2002 on proportional participation in the labour market apply, among other things.

### **Copyright - intellectual property rights**

All texts, photographs, drawings, graphics, images, sound, data, databases, software, names, trade and domain names and all other components of the FORI Domains are copyrighted works, and they may also be otherwise protected. The FORI Domains themselves are also protected by copyright, as well as a database, both by copyright law and by database law. The user expressly acknowledges that all relevant property rights including intellectual property rights belong to FORI BV.

None of these components, neither the FORI Domains themselves nor the information offered on the FORI Domains may be stored (other than necessary to view the FORI Domains), reproduced, modified, made public, distributed, sent, sold, transferred to third parties or used in any way unless the relevant FORI Entity has given its prior written consent.

Any legal or natural person shall, unless otherwise agreed by contract, by sending texts, photographs, drawings, graphics, images, sound, data and others to a FORI Domain, transfer all its proprietary rights including intellectual property rights and copyrights to the aforementioned works to the relevant FORI Entity and indemnify the relevant FORI Entity against any claims by third parties in that regard.

Websites that do not belong to FORI BV may freely link to the pages of the FORI Domains. The links always mention the name of the FORI Domain in question. The user is always linked directly to the FORI Domain in question and thus without delay, without an intermediate step and without the pages appearing in a frame of another website. The use of logos requires the prior written consent of the respective FORI Entity.

### **Interactivity**

FORI BV is not responsible for the content on weblogs running through the FORI Domains. Chatting, responding and sending messages is always at your own risk. The chat sessions, reactions and weblogs may not be distributed, even partially, by third parties.

By sending messages or reactions, the submitter also gives his or her permission to have these messages published in, among others, the printed newspaper and other media.

The editors reserve the right to exclude or delete comments if they do not contribute to the debate. This decision is the editorial board's autonomous power, which does not have to justify its decision.

The following acts are forbidden and punishable by law and are therefore of course forbidden in the FORI Domains:

- Racism, xenophobia, negationism and discrimination or their promotion; Slander, defamation, stalking, insults, abuse of name or image, abuse of trust;
- Violation of intellectual or other property. It is forbidden to disturb the public order on the FORI Domains. This means that spamming, sending unsolicited advertisements via private or public messages, frequent illegal reloading of pages, flooding or posting of excessively long texts, etc. can be prosecuted;
- Hacking or attempted hacking of the FORI Domains is absolutely forbidden and will be punished;
- Public indecency, publishing pornographic images, paedophilia and offering prostitution or escort services to the public.

If a user of the FORI Domains believes that certain information on the FORI Domains is unlawful or offensive, that user is requested to contact the FORI Domains using the contact information provided above. In the event of unlawful conduct on the part of a user, that user's IP address may be passed on to the appropriate legal authorities.

## **Matches**

FORI Group regularly organizes competitions and commercial offers. These terms of use, FORI Group's Privacy Policy and the specific conditions and competition rules apply to them. Applicable law.

Belgian law shall apply. The invalidity, nullity or unenforceability of all or part of one of the above provisions shall not result in the invalidity and/or unenforceability of any other provisions. The parties accept that the electronic communication between them has the legal force of written proof.

Unless the terms and conditions of a product or service stipulate a different jurisdiction, Belgian law shall apply to any dispute arising from the use of the FORI Domains and the courts of Gent shall have exclusive jurisdiction.
